“Till I come, give attention to reading, to exhortation, to doctrine” (1 Timothy 4:13).

As most of you are aware, 1st and 2nd Timothy were written by the apostle Paul to a young evangelist by the name of Timothy. Timothy and Paul shared a unique and close relationship. Paul even called Timothy his, “True son in the faith” (1 Timothy 1:2). Most people benefit from mentors - “People who teach, help and advise a less experienced and often younger person” (Webster). Paul’s message to Timothy was designed to aid him in his Christian walk and guide him as a minister of the Gospel.

The verse quoted above urges this young man to place a lot of thought and effort into the reading of scripture, the exhortation of brethren and to have respect for sound doctrine (healthy teaching). Of course before one can live correctly (See 4:12), exhort people and know the doctrine to present, one must “Read” - Study, meditate and gain understanding (See 2 Timothy 2:15). Over and over again Timothy was directed to the “Holy Scriptures” (See 2 Timothy 3:14-17). Through them he (we) would be able to “Save himself and save others also” (1 Timothy 4:16).

We are once again challenging you to read your Bibles. We will be reading through the book of Jeremiah in the month of May. A schedule is provided in this bulletin. You are being asked to read no more than 2 chapters a day. All of the Sunday Morning sermons in May will come from Jeremiah. It is my prayer that God’s word will bless you (See Jeremiah 29:11). CONTINUE READING! Take care.

Chris' Corner...

Matthew 24:42-44

42 Therefore, stay awake, for you do not know on what day your Lord is coming. **43** But know this, that if the master of the house had known in what part of the night the thief was coming, he would have stayed awake and would not have let his house be broken into. **44** Therefore you also must be ready, for the Son of Man is coming at an hour you do not expect.

What if one day you received a phone call, and the person on the other end informs you that in two days they will show up to your house to rob you. What would you do?

Would you wait two days and just see what happens? Would you brush it off and do nothing? Would you call the police or lock your doors and keep watch that day? Unfortunately thieves don't give us any warnings before they strike. That is why we do lock our doors, get security systems, and take other measures to protect our homes. We do this because we want to be prepared at all times for any visit by thieves.

In the same way, we need to be ready at all times for Christ's return because we do not know when that day will come. If we knew the Day of Judgment, we would most likely live and plan differently. We don't have the luxury of knowing, therefore it is imperative that we live and plan as if Jesus will return any day. If we do follow God's will and live for Him daily, then we will be rewarded with eternity in Heaven.
