

Daddy!

To me there is no sweeter word than "Daddy." When my daughters (who are now in their 30s) refer to me as Daddy, my heart is lifted to another level. I suppose some of it has to do with the word taking me back to the time when they were small and I was their hero; a time when they would sit in my lap or cling to me for safety when they were afraid; a time when they couldn't wait to bring their schoolwork or Bible class take home material to me just to hear me say, "I'm so proud of you"; a time when those nighttime prayers were so precious and bold. "Daddy" has a special ring to it.

Daddy, though, means something even greater. The word signifies a very special relationship. It is more than just biological. There is an emotional and spiritual connection that is designed to enrich both the parent and the child. God intended for this bond to be the foundation for education, encouragement, self-esteem, correction and even heaven. Through dads, boys would learn how to be godly men and girls would gain understanding about how godly men are supposed to treat them. The Holy Spirit through Moses said, "And these words which I command you today shall be in your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up (Deuteronomy 6:6-7). God intends for the parent/child relationship to be something extraordinary.

Today, as a nation, we pause to salute "Fathers." As a church, as families and as individuals, we should honor those to whom honor is due. Godly men, those who strive to lead their children/families toward our ultimate Father (God), are to be honored (Assigned great value). Let the dads among us know that they are truly appreciated! **HAPPY FATHER'S DAY!** Take Care.
