

Therefore, my dear brothers, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain. 1 Corinthians 15:58

Freedom

Terry's Tidbits

There are many people that believe politics and religion or patriotism and spiritual devotion should never cross. The Bible on the other hand states that we should be Christians 100% of the time. I am a Christian husband and Father. I am a Christian first when transacting business. I am God's child when I am at the stadium or on the field. I belong to Christ and He is Lord in every aspect of my life (See Galatians 2:20).

We live in a great nation that affords us the opportunity to put Christ first in all things. While we acknowledge that others may not agree with our position in Christ, we also acknowledge that it is their right as a free people to make that decision. While we work toward others embracing Jesus, we also celebrate our nation that allows men the freedom to choose.

This week is America's Independence Day Celebration. It is said that almost 1.3 million military members from the Revolutionary War to present day have given their lives to obtain and maintain the freedom we cherish. In addition, thousands have been physically injured and/or maimed, while others continue to suffer from post-traumatic disorders. Some are so emotionally distressed upon coming home, sadly, they commit suicide. War indeed is terrible! While some may have been Christians, I'm certain many were not. But, they paid the price so that you and I might make our own decisions on a daily basis. I do think that these sacrifices should at the very least cause us to be grateful and respectful, even when we disagree with someone else's choice (Lifestyle, political and religious views, etc.). Think it over as you celebrate on the 4th! Take care.

Chris' Corner

Exodus 34:29-35

²⁹When Moses came down from Mount Sinai, with the two tablets of the testimony in his hand as he came down from the mountain, Moses did not know that the skin of his face shone because he had been talking with God.³⁰ Aaron and all the people of Israel saw Moses, and behold, the skin of his face shone, and they were afraid to come near him. ³¹But Moses called to them, and Aaron and all the leaders of the congregation returned to him, and Moses talked with them. ³²Afterward all the people of Israel came near, and he commanded them all that the Lord had spoken with him in Mount Sinai. ³³And when Moses had finished speaking with them, he put a veil over his face. ³⁴Whenever Moses went in before the Lord to speak with him, he would remove the veil, until he came out. And when he came out and told the people of Israel what he was commanded, ³⁵the people of Israel would see the face of Moses, that the skin of Moses' face was shining. And Moses would put the veil over his face again, until he went in to speak with him.

Moses' face was radiant after he spent time with God. The people could clearly see God's presence in him. How often do you spend time alone with God? When people see you can they tell that you have been in the presence of the Lord and have a relationship with Him? Time spent in prayer, reading the Bible, and meditating on God's Word should have such an effect on your life that people will know you have been with God.
