See You There!

Tonight, we will be showing the movie documentary called, “Is Genesis History?” Many of us have seen the film and have come away simply saying, “Wow.” Your faith that the Bible is actually God’s word will truly be strengthened. I believe every person should see it, but especially young people. In most public learning situations, Creation is never taught. The Bible as a record of history and fact is simply dismissed. The message of this film addresses current scientific thought while revealing the truth about Creation. If you want to be exposed to truth, if you want your children, friends and relatives to know the truth, then please have everyone present tonight at 6 pm. This movie is done very well. It will hold your attention. It will strengthen your faith. It will generate resolve. See you there!

Vacation Bible School is rapidly approaching. Have you registered your children at www.wbcoc.com? Have you volunteered in some way to ensure that this year’s school is successful? On July 31st – August 4th we will have the opportunity to impact children regarding God. It is always exciting to see little kids get excited about Jesus! Please pick up some invitations at the desk and distribute in your neighborhood. Some little child and their family may be waiting for you, through VBS, to introduce them to Jesus. Please be praying for all the organizers, teachers and volunteers. Please pray that many children will make a lifetime memory concerning Jesus and His church.

Take care.

Psalm 91

1 He who dwells in the shelter of the Most High will abide in the shadow of the Almighty. 2 I will say to the Lord, "My refuge and my fortress, my God, in whom I trust." 3 For he will deliver you from the snare of the fowler and from the deadly pestilence. 4 He will cover you with his pinions, and under his wings you will find refuge; his faithfulness is a shield and buckler. 5 You will not fear the terror of the night, nor the arrow that flies by day, 6 nor the pestilence that stalks in darkness, nor the destruction that wastes at noonday. 7 A thousand may fall at your side, ten thousand at your right hand, but it will not come near you. 8 You will only look with your eyes and see the recompense of the wicked.

What do you have a fear of? Bugs? Public speaking? Clowns? For me it definitely would be heights and needles. This can be a problem because I married a nurse who likes roller coasters and skydiving.

As followers of Christ what scares you? Being ridiculed? Being left out? Whether it's persecution, trials, or whatever Satan throws at us, we don't have to fear. We can find peace in knowing that God is our refuge and fortress. What a great feeling that the creator of the universe will carry us through all the dangers and fears of life. First we must not worry, but have faith that God will shelter us. Through this we build trust in our Lord, allowing us to do great things for the kingdom and glorifying our protector.
