## Keep Fueling Your Faith

### FAITH FUEL

A Joyful 'toon by Mike Waters

Consequently, faith comes from hearing the message, and the message is heard through the word of Christ.

- ROMANS 10:17 NIV

Throughout 2016 we have been encouraging all of you to get more into the Word of God. We started with a reading of the New Testament in a 90-day span. Then we moved to the book of Jeremiah. Beginning September 1<sup>st</sup> we will begin reading the books of ancient Hebrew History (Joshua thru Nehemiah). These books contain extraordinary events and spiritual principles that further connect us to God and our Savior Jesus (See Romans 15:4).

In the meantime, keeping fueling your faith for the walk of life with the Word of God (See Matthew 4:4). As Jeremiah did, consume it (See Jeremiah 15:16). Take care.

## Chris' Corner...

### Matthew 5:14-16

**14** "You are the light of the world. A city set on a hill cannot be hidden. **15** Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. **16** In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.

Often we expect something out of people, places, and things, but for whatever reason, we don't get what we thought we would. Those moments of letdown can change how we view them from that point on. When we hear the word "Christian" we have certain expectations and standards that should be met. The world has heard and seen people claiming to be Christians, and sadly they have seen bad examples of what a Christian should be; therefore changing the views and expectations from the world.

This has happened mostly because many who have claimed to be Christians have become more like those of this world. They have either dimmed their light, or have stuck out for the wrong reasons. We have to change the world's views on who we truly are, and that is by sticking close to the word of God. He has clear cut expectations for us and how we should live our lives. If we do this, we can change how the world views Christians, and hopefully our lights will draw others closer to God.
