Very Important-Please Read!!!!

I mentioned a few weeks ago that we are in the process of planning West Broward's work for 2018. The elders have asked the deacons and I to review all our ministries and update and/or change them where necessary. We ask for your continued prayers. Very soon we will be sharing with you our vision, goals and plans, and how you can be involved.

One change that the elders have already approved is regarding our Small Group program. We have a target date of January 2018 to launch a new effort. You will be given the opportunity to be a part of a small group – no more than 15 people – that will meet weekly for fellowship and Bible study. This will be an excellent opportunity for you to get connected, make friends, grow spiritually, offer and receive strength, encourage and be encouraged and to serve. In addition, small groups provide an avenue for sharing the gospel. Your friend may not come to a large church building at first, but might very well accept an invitation to a home gathering. This program will be operated strictly on a voluntary basis. And we strongly urge all of you to volunteer and get involved. You will be blessed.

Beginning the first Sunday in September (3rd), Tony Fischetto and Rick Bardowell will have a class regarding small groups. This class will primarily be for potential small group leaders and co-leaders. But if you are curious about the small group effort, feel free to attend. Any questions, see an elder, minister, Tony or Rick.

Take care!

Proverbs 3:13-18

13 Blessed is the one who finds wisdom, and the one who gets understanding, 14 for the gain from her is better than gain from silver and her profit better than gold. 15 She is more precious than jewels, and nothing you desire can compare with her. 16 Long life is in her right hand; in her left hand are riches and honor. 17 Her ways are ways of pleasantness, and all her paths are peace. 18 She is a tree of life to those who lay hold of her; those who hold her fast are called blessed.

The Bible tells us many ways to be blessed. The beatitudes in Matthew 5 probably stick out the most to me. Here in Proverbs we are shown yet another way to be blessed, and that is through wisdom. The author really points out the value in wisdom, saying it is better than silver, gold, and jewels. We may not go after those things much today but the possessions we do desire like money, clothes, and cars, for example, don't compare in value to having wisdom. So wisdom is valuable, but are we pursuing it?

Are we trying to understand God's kingdom and will? Are we making a conscious effort to better get a grasp of how God wants us to live our lives? According to the scriptures if we do we will be blessed with many things as a result. These blessings include honor, peace, and life. God will bless us and provide for us if we seek Him. We will never fully understand the ways of God but if we strive for His wisdom then we will truly be blessed more than we can comprehend.
