## Is He Your Constant Focus?

May the peoples praise you, O God; may all the peoples praise you. Then the land will yield its harvest, and God, our God, will bless us.  
— PSALM 67:5-6 NIV

We wonder at times why things in “The Land” are not going as well as they should. Perhaps it is because the Lord God of Heaven needs to become more of our everyday focus and praise! Do you praise Him wherever you are? Is He your constant focus in everything that you do? Take care!

## Chris' Corner.....

### Hebrews 2:14-18

14 Since therefore the children share in flesh and blood, he himself likewise partook of the same things, that through death he might destroy the one who has the power of death, that is, the devil, 15 and deliver all those who through fear of death were subject to lifelong slavery. 16 For surely it is not angels that he helps, but he helps the offspring of Abraham. 17 Therefore he had to be made like his brothers in every respect, so that he might become a merciful and faithful high priest in the service of God, to make propitiation for the sins of the people. 18 For because he himself has suffered when tempted, he is able to help those who are being tempted.

One great thing about God is, unlike other gods throughout history, He wants a relationship with His people. The relationships between other religions and their gods seem to only be a one-way street. As Christians we know God loves us and wants us to be with Him, and part of that love is having a relationship with us. Our bond and relation with God is unique because even though He is the creator of the universe and all-powerful, He also is all knowing and knows what it is like to be us.

God became flesh in the form of His son Jesus. So when we hurt, are scared, or have fears, God understands. When we are tempted or persecuted, He knows what we are going through. God's desire for a relationship with us is special because He understands us. When we are called to sacrifice and live for Him, remember He too knows that feeling. Remember that He wants you too.
