CARRY YOUR BOOKS? A Joyful Toon by Mike Waters

Cast all your anxiety on him because he cares for you. - 1 PETER 5:7 NIV

Terry's Tidbits

We find ourselves at times weighed down with concern that, in reality, borders on worry. Many are facing serious health issues. Some are gripped by the stress and strain of just getting by. Others are alarmed by the drifting morals being displayed all around. A growing number are terrified concerning the direction of the churches of Christ. And still more are facing personal matters of addictions, inadequacy, weakness and sin. Oh, and by the way, there is an election looming ... Anxiety!

“Come to Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls. For My yoke is easy and My burden is light” (Matthew 11:28-30).

Hebrews 2:1-4

Therefore we must pay much closer attention to what we have heard, lest we drift away from it.

James 1:22-25

22 But be doers of the word, and not hearers only, deceiving yourselves. **23** For if anyone is a hearer of the word and not a doer, he is like a man who looks intently at his natural face in a mirror. **24** For he looks at himself and goes away and at once forgets what he was like. **25** But the one who looks into the perfect law, the law of liberty, and perseveres, being no hearer who forgets but a doer who acts, he will be blessed in his doing.

Have you ever finished reading the Bible, heard a sermon, or attended a Bible class and couldn't remember what was read or discussed? As Christians we must be aware of the trap that is complacency in the church. Just attending services and Bibles studies is not enough. When we are assembling, or even just at home reading the Word, we must be alert and pay attention to what God is saying to us. If we fail to do so then we run the risk of falling away.

In James we are instructed to not only pay attention to the word, but to put it into practice. If we are doing what we hear, and practicing what we preach then we will be tuned into God's word and are less likely to fall away. Satan wants us to think that just attending church and reading the Bible is enough, but that's only the first step. The next is paying attending to God's word and living the way He wants us to. If we do this then we will be blessed, and hopefully others will follow.
