

More About C.A.R.E. Groups

Before I begin, today is my wife Connie's birthday! For many years she has allowed me to take my annual hunting trip during her birthday week. The reason this week is always the week is because it is the peak week for archery success where we hunt. This is only one of the many things about her selfless/serving character that causes me to conclude that she is the VERY BEST! It is no wonder that we've been happily married going on 37 years and that I love her so very, very much! Happy Birthday Connie!!!

Now to **C.A.R.E. Groups** (Christians Active Regarding Each Other). The official start date will be January 12, 2014. Between now and then a lot of work is going to take place and we are going to need your help. We intend to organize our groups according to a special demographic model (Combining, Geography, age, gender and special categories). Leaders and co-leaders will be selected and trained prior to January 1st. Officially C.A.R.E. Groups will operate from September to May every year. So our first session will be from January to May, Reorganize and/or update in the summer and the run from September 2014 to May 2015. In next week's bulletin I will explain why we are doing this and how the groups will function.

Next week is our annual **Bag the Preacher** Day! This is a collective effort to fill up the stage with bags of groceries, effectively "Surrounding" the preacher. We do this to restock the food pantry and prepare for the food baskets that will be given out over the holidays to needy families. Your participation is vital for our being able to reach out. Bags and a list of needed items are available in the foyer. Let's make the donations so large this year that we cannot use the stage! That would be awesome!

Take Care. May the Lord bless you and keep you!
