“I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice....do not be conformed to this world, but be transformed by the renewing of your mind...”

## “Please Consider”

Next week, November 12<sup>th</sup>, is our annual “**Bag the Preacher.**” For those new to West Broward there is a list of needed grocery items stapled to paper grocery bags in the foyer. We use these items to make up our holiday baskets that go to shut-ins and the needy. Any leftover items are placed in our pantry to be distributed as needs arise. Fill your bag or bags and bring them on the 12<sup>th</sup>. Place your items on the stage area where they will surround the speaker – thus “**Bag the Preacher.**” We thank you in advance for your generosity!

**I HAVE BEEN CONCERNED** for a long time now about the number of you who are missing a glorious opportunity. Each Sunday at 9:00 am and Wednesday at 7:00 pm we offer Bible classes for **ALL AGES**. These classes are relevant to **HEAVEN** and your everyday living. They are taught by dedicated and capable teachers. I strongly encourage all parents to have your infants all the way to teenagers in class. The Twenties and Thirties (TNT) class aids young adults and couples to know God and His word. Other classes will strengthen your life. Remember, we are to “Grow in Grace and Knowledge” (See 2 Peter 3:18). Bible class is an excellent way to do it – not to mention the fellowship and encouragement that is received. So, I’m looking forward to seeing you on Sundays and Wednesdays for class! Take care!

### Luke 12:54-59

54 He also said to the crowds, "When you see a cloud rising in the west, you say at once, 'A shower is coming.' And so it happens. 55 And when you see the south wind blowing, you say, 'There will be scorching heat,' and it happens. 56 You hypocrites! You know how to interpret the appearance of earth and sky, but why do you not know how to interpret the present time?"

Jesus would often make comparisons to farming when teaching because farming was a principal occupation at that time. Farmers depended directly on the weather for their livelihood. They were good at predicting the weather and how it would affect their upcoming crops. Much like a storm or a sunny day, Jesus told them there were signs of God's Kingdom coming, but the farmers refused to listen. They intentionally ignored the signs and the warnings, something we must be careful to not also do.

We are warned through the scriptures that Christ will be returning and that God will judge all on earth. Much like farmers preparing for the harvest, there is a lot of preparation that has to be made. Some people have to evaluate what areas of their lives need work and attention. Others are unaware of the upcoming storm and need to be alerted. There needs to be a sense of urgency in our preparations of Christ's return because as in Matthew 24:36 and Mark 13:32 we know that we don't know when that is. We cannot make the same mistakes as those before us and not respond to the warnings we see in the Bible.
