The heavens declare the glory of God; the skies proclaim the work of his hands. Day after day they pour forth speech; night after night they display knowledge. — PSALM 19:1-2 NIV

Terry's Tidbits

1 The heavens declare the glory of God; and the firmament shows His handiwork. 2 Day unto day utters speech, and night unto night reveals knowledge. 3 There is no speech nor language where their voice is not heard. 4 Their line has gone out through all the earth, and their words to the end of the world. In them He has set a tabernacle for the sun, 5 which is like a bridegroom coming out of his chamber, and rejoices like a strong man to run its race. 6 Its rising is from one end of heaven, and its circuit to the other end; and there is nothing hidden from its heat (Psalm 19:1-6).

TRULY, THE CREATION IS TELLING US THAT GOD IS!

Exodus 14:21-22

21 Then Moses stretched out his hand over the sea, and the Lord drove the sea back by a strong east wind all night and made the sea dry land, and the waters were divided. 22 And the people of Israel went into the midst of the sea on dry ground, the waters being a wall to them on their right hand and on their left.

Acts 2:37-40

37 Now when they heard this they were cut to the heart, and said to Peter and the rest of the apostles, "Brothers, what shall we do?" 38 And Peter said to them, "Repent and be baptized every one of you in the name of Jesus Christ for the forgiveness of your sins, and you will receive the gift of the Holy Spirit. 39 For the promise is for you and for your children and for all who are far off, everyone whom the Lord our God calls to himself." 40 And with many other words he bore witness and continued to exhort them, saying, "Save yourselves from this crooked generation."

There are many correlations between the accounts in the Old and New Testaments. Moses parting the Red Sea not only shows us the power of God and the importance of faith, but it also is foreshadowing the need for baptism that is later explained in the New Testament. We can find some of the same principles of baptism in the account of the Israelites escaping Pharaoh and Egypt. They turned their backs on what they were used to, had faith and trusted in God, and went through water to be saved. Sound familiar? The same concepts apply to us today if we want to be saved from this crooked generation.
