

Bible Knowledge Surveys!

A few weeks ago we asked you on a Sunday morning to take a Bible Knowledge Survey. We explained that this survey would provide us with the kind of data necessary to structure our Bible curriculum for some time to come. 239 of you stayed after morning worship and graciously took the survey. We thank you for doing so. Your twenty minutes of effort will result in great benefit for the church and for the saving of souls for many years to come (Lord Willing).

We have tabulated the results and have crunched the numbers. Many of you have been asking about when the results would be made public. Well, that time has arrived. Next Sunday morning, December 15th, I will share the results in our Sunday morning sermon time. I am convinced that this disclosure will be challenging and encouraging all at the same time. There are revealed areas that need our immediate and long-term attention. There are others wherein we are strong and the results should be quite encouraging. No doubt, though, every one of us has some room for improvement.

I encourage all of you to make a special effort to be present every Lord's Day and for all of our assemblies, but most especially this one. The information we will share will reveal a great deal about your personal knowledge and the state of the church here at West Broward in general. I believe from these surveys we are going to be able to develop a foundation that will cause healthy growth in the body of Christ on the personal and collective levels. So, please be present.

Moreover, I need your help. There are some who are not here today. I challenge you to look around. If someone you know is not here for whatever reason, please reach out to them and encourage them to be present always, but especially on the 15th. Your personal relationship coupled with the information to be shared will go a long way toward having them meet with the family. Who knows, perhaps this could be the beginning of renewal for them, you, me and the whole church???

Today, in my absence, Tom Stone will be preaching. Tom is a dear brother, dedicated elder, tremendous student of the word and an excellent speaker. I know you will be blessed. Thank you Tom for stepping up to the plate. Take care!
